## Clear Guidance, Smart Advice™

It's what you need to start, run or grow your business. Cook, Little, Rosenblatt & Manson helps our entrepreneurial and business clients navigate the legal issues of corporate, employment and business litigation matters.

We understand the business climate and how important it is to anticipate and address business concerns. Our team of lawyers works closely with financial, accounting and other professional advisors to help build a strong business foundation. Chambers USA 2005, in describing the Cook, Little, Rosenblatt & Manson firm, states that their "roster of talented individuals ensures it continues to punch above its weight. . ."

As Business Lawyers for Entrepreneurs® we are a law firm that offers clear guidance and smart advice to help businesses succeed.
